

Wishing you a wonderful Christmas, a joyful New Year and happy holidays

Best wishes from

Communities for Children Anglicare NT Alice Springs

We hope your year has been as interesting as ours, we have learnt new knowledge and created new relationships. We continue to be amazed by all the programmes and services that share in helping children and families in the Alice Springs Community. Our highlights for this year have been the universal Family and Universal Children week activities. (children's week photos and video can be seen at <http://www.bushmob.com.au/> click on the gallery)

Please find in the news letter information about activities in the community during the summer school holidays. We also have a window display at our new offices with information for children and young people about what happening in each week of the school holidays. Please come and check out the information at
10/7 Leichhardt Terrace (Springs Plaza)
