GLENTI SUPPORTING ANGLICARE NT

Anglicare NT is pleased to be chosen as the community partner of the 2018 Greek GleNTi. All donations made to designated Anglicare NT collection points at the event will help homeless and disadvantaged youth and children in the Northern Territory.

Anglicare NT is a not-for-profit organisation dedicated to providing responsive, interconnected and culturally appropriate services for Territorians in need. They offer a range of services for young people such as specialised youth homelessness services, early intervention programs, youth diversion and intensive support.

“Almost half of the homeless population in the NT are under the age of 24. Many more are in need of extra support at this critical point in their lives,” said Anglicare NT CEO Dave Pugh.

“Anglicare NT is thrilled that the funds raised at this year’s GleNTi will be directed towards helping children and young people. Donations will assist to provide practical support such as case management, accommodation and early intervention support through our services,” said Mr Pugh.

The GleNTi is celebrating its 30th anniversary on Saturday 9 June and Sunday 10 June at Darwin’s Bicentennial Park. It is a fun and vibrant festival where the Greek community share their culture, food, dance and music.

“I encourage everyone to visit the GleNTi; enjoy the wonderful food and atmosphere and in the spirit of the festival give generously to help disadvantaged young Territorians.”
